

Founder's Blueprint & Idea Vault

Focus Without Losing the Future

Operational focus and parked future ideas

Reconstructography Library v1.0 - Website Edition
June 20, 2026

Source and Status

This volume was consolidated from the Reconstructography founding documents, Archive 2 materials, Foundation Pack drafts, and recovered chat passages uploaded by Angela Roberts. It is prepared for website publication and Airo import, not as a final academic or legal document.

Table of Contents

1. Purpose
2. One active project
3. Founder Dashboard
4. Idea Vault
5. Current library decision
6. Future ideas parked
7. Founder Box
8. Separate workstreams

Purpose

The Founder Blueprint protects the project from fragmentation. It allows a visionary project to keep all major ideas without requiring all ideas to be built immediately.

One active project

At any given time, the project should identify one active objective. The founder should not have to carry the whole cathedral every day. Build the next brick, not the whole cathedral.

Founder Dashboard

The dashboard should display: North Star, current active project, next milestone, progress snapshot, Idea Vault, open risks, and the next best action.

Idea Vault

Ideas that matter but are not ready for current implementation should be preserved in the Idea Vault. Parking an idea is not rejection. It is stewardship.

Current library decision

For Website Edition v1.0, the priority is to organize existing materials for the site. Version 2 can later expand into a larger, publication-quality library.

Future ideas parked

Founder Box; university institute; TED talk; certification programs; hardcover Canon; public archive; Legacy Capsules; Time Bridges; Letters to Younger Self; Wisdom Layer expansions; Inner Life Layer expansions; public exhibitions; global research network.

Founder Box

The Founder Box is a time capsule concept. It may contain the Charter, Canon, a letter to the children, Dr. Rees's quote, North Star, white paper, glossary, methodology, first RC1 screenshot, and handwritten founder note.

Separate workstreams

Use separate streams for Engineering, Canon/Founder Vision, Website, Foundation, and Memoir. Each has a purpose; mixing them increases overwhelm.

Website placement note

Airo may use this volume as a full page, as downloadable PDF source material, and as the authoritative source for summaries on related pages.
